the author argues that the successes and failures of d day on both sides cannot be explained by comparing the competing strategies of each side instead he provides an account of the battle through the overarching nature of the relationship between the leaders and their followers

for the allies as well as germany it will be the longest day so said field marshal erwin rommel of the operations on d day and he was correct this is the first volume of a most impressive tribute and comprehensive five part work that includes a multitude of personal military and civilian

accounts of the aerial operations which were carried out on d day at fifteen minutes after midnight on 6 june 1944 operation overlord the allied invasion of hitlers festung europe became reality the logistics of landing almost 250 000 men by amphibious craft seems almost unimaginable yet a massive aerial umbrella of 3 000 raf and usaaf fighters fighter bombers and heavy bombers headed for france and more than 1 000 transport aircraft dropped more than 17 000 paratroopers to secure the flanks and beach exits of the assault area air superiority in the invasion areas was total it was a day that changed the whole course of the war and resulted in the first steps to final victory in europe copious quotes from american and british and dominion forces fighting men sailors airmen from the occupied countries and their german opponents tell of incredible illuminating and often understated actions of extraordinary courage companionship and a common fear of death or serious injury which offer a more personalized view of d day this first volume sets an impressive precedent for the rest of the series

on 6 june 1944 allied forces stormed the beaches at normandy the invasion followed several years of argument and planning by allied leaders who remained committed to a return to the european continent after the germans had forced the allies to evacuate at dunkirk in may 1940 before the spring of 1944 however prime minister winston churchill and other british leaders remained unconvinced that the invasion was feasible at the teheran conference in november 1943 franklin d roosevelt and winston churchill promised josef stalin that allied troops would launch operation overlord the invasion of normandy in the spring because of their continuing concerns about overlord the british convinced the americans to implement a cover plan to help ensure the invasion s success the london controlling section lcs devised an elaborate two part plan called operation fortitude that shaf supreme headquarters allied expeditionary force helped to fine tune and that both british and american forces implemented historians analyzing the normandy invasion frequently devote some discussion to operation fortitude although they admit that fortitude north did not accomplish all that the allied deception planners had hoped many historians heap praise on fortitude south using phrases such as unquestionably the greatest deception in military history many of these historians assume that the deception plan played a crucial role in the june 1944 assault a reexamination of the sources suggests however that other factors contributed as much if not more to the allied victory in normandy and that allied forces could have succeeded without the elaborate deception created by the lcs moreover the persistent tendency to exaggerate the

operational effect of fortitude on the german military performance at normandy continues to draw attention away from other technical military reasons for the german failures there

a guide to using quicken 6 money management software for windows explaining how to write and print checks track finances balance a checking account budget and save money and master other functions of the program
